

## **COVID-19 Cases – Updated 09/10/2021**

The Delaware Department of Services for Children, Youth and Their Families (DSCYF) has taken extensive and immediate actions to slow the spread of COVID-19. The Division of Youth Rehabilitative Services, which oversees Level IV and Level V secure care facilities, has implemented COVID-19 protocol in accordance to the Division of Public Health and Centers for Disease Control and Prevention guidance. Measures include:

- Training on proper cleaning techniques and screening protocols
- Providing personal protective gear to facility and community-based staff
- Daily temperature checks for youth and staff
- Staff and youth follow face covering guidance in coordination with current CDC and Division of Public Health recommendations
- Youth are quarantined for 14 days upon entry to a secure care facility and monitored for symptoms
- Special COVID-19 care units have been established in order to care for positive youth
- COVID-19 testing is available to all youth monthly and all staff every two weeks
- YRS has also purchased two disinfectant foggers to rotate between facilities for cleaning
